Sir:

In further response to the Office Action mailed on August 27, 2007, please consider the following.

The text of the amended claims as compared to the claims of the issued patent is shown in the listing of the claims which begins on page 2. Please note that since all pending claims are new as compared to the issued patent claims, all text of the claims is underlined. Current amendments are described in the Remarks section on page 12.

Remarks begin on page 12.
